Committee Formed to Draft Max Baucus for U.S. Senate

At a steak fry for Democrats in Billings on Friday night Paul Van Tricht announced the formation of a Committee to Draft Max Baucus as the Democratic candidate for the United States Senate from Montana. The organizational meeting for this committee will be held on Thursday, October 3rd, at 7pm in the large study room on the 2nd floor of the Billings Public Library at 510 North 28th Street in Billings, Montana.

Van Tricht stated: "Out of state Progressive groups have been very critical of Max for many years. Since Max announced his retirement, they have had 6 months to come up with a candidate. The only candidate to come forward is Dirk Adams, a failed sub prime mortgage banker. The four banks Adams ran were closed because of his mismanagement in 2012 by the Federal Deposit Insurance Corporation at a cost of \$38 million. Hundreds of employees lost their jobs and depositors lost over \$800,000. Adams is proud of his career and ideas which helped start the great recession of 2008."

"Montana Democrats have stood by Max through hell and high water. Max owes us this last race!" said Van Tricht. He concluded: "The committee will truly independent and by law can not communicate directly or indirectly with Max Baucus or his representatives. We don't take no for an answer."
