I am writing to file a complaint for violations of Montana law by J.C. Kantorowicz. I am attaching to this complaint a copy of Mr. Kantorowicz's website and a fundraising letter Mr. Kantorowicz sent in December 2015 which for some reason he sent to my father and father-in-law.

Mr. Kantorowicz has violated Montana law by posting statements about my voting record without providing a reference to the particular vote or votes upon which the information is based as required by [13-35-225\(3\)\(a\)](#), MCA. In addition, Mr. Kantorowicz has failed to provide a statement, signed as provided in subsection (3)(b), that to the best of the signer's knowledge, the statements made about the other candidate's voting record are accurate and true as required by [13-35-225\(3\)\(a\)](#), MCA.

Of course, Mr. Kantorowicz cannot certify the statements contained in the election material are true because the statements he makes about my voting record is absolutely false. According to Mr. Kantorowicz, "the only time he voted with Republicans was when the Democrats also voted with the GOP to overwhelmingly pass legislation." This is absolutely false.

There are countless times during the course of the Legislature when legislation is passed by large majorities by members of both parties voting for the bill. See for example, HB1 (93-5); HB8 (87-11)' HB50 (79-21); HB100 (94-5); HB300 (88-11). At other times an issue splits along partisan lines and on those occasions I usually, but not exclusively vote with the Republican caucus. Attached is a list of 50 bills which passed the House of Representatives by fairly narrow margins. Please note that my vote was with the majority in the Republican caucus. In addition, it should be noted I earned 100% scores from the Montana Chamber of Commerce, the Montana Family Foundation, and the United Property Owners and an A rating from the American Conservative Union. One does not get these types of scores by only voting with Democrats.

Mr. Kantorowicz's representations about my voting record are flagrantly false. I would request that you seek an appropriate fine against Mr. Kantorowicz for these violations of Montana law.

Friends and fellow Republicans:

I am about to engage in the fight of my life. At stake here is whether a RINO (Republican In Name Only) will represent the GOP or whether a Conservative Republican will win. As I run in the primary for election to Senate District 10, I face a RINO who, when representing House District 20 in Great Falls, consistently voted with the Democrats. He has openly stated that the Montana GOP Platform means nothing to him. Whenever votes were close on a Republican bill before the Legislature, he cast the deciding vote to defeat the bill. The only time he voted with Republicans was when the Democrats also voted with the GOP to overwhelmingly pass legislation.

I am a real Montana Conservative Republican with deep respect for the US Constitution and strong support for the Montana Republican Party Platform. I want to see common sense and logic return to the halls of our Legislature. The posturing and political positioning of RINO's must come to an end. The Republican Party has possessed the numerical majority in both the Montana Senate and House. However philosophically, the majority has belonged to the Democrats. I am a true Republican and I will vote as a true Republican should vote.

Senate District 10

Friends and fellow Republicans:

I am about to engage in the fight of my life. At stake here is whether a RINO, (Republican In Name Only), will represent the GOP or whether a Conservative Republican will win.

As I run for the primary election to Senate District 10, I will face a RINO who when representing House District 20 in Great Falls the past two terms, consistently voted with the Democrats. He has openly stated that the Montana GOP Platform means nothing to him. Whenever votes were close on a Republican bill before the Legislature, he cast the deciding vote to defeat the bill. The only time he voted with Republicans was when the Democrats also voted with the GOP to overwhelmingly pass legislation. This fight will be tough as my opponent is well funded and backed by other influential RINO's across the state.

I promise you that I am a real Montana Conservative Republican with respect for the Constitution and the Montana Republican Party Platform. Only a strong campaign based on Conservative Values and common sense will prevail. Strong campaigns need money..... Lots of money! Please donate to help my campaign win Senate District 10 and defeat the RINO!
